als E-Book erhältlich

The most important and recent judgments of the CJEU

This book analyses selected topics (e.g. fundamental principles and VAT, VAT treatment of financial services, taxable base and rates, exemptions, and deductions) by examining the most prominent and recent judgments of the Court of Justice of the European Union.

Experts from all over the world, not just from academia but also government and judiciary representatives as well as tax practitioners, have provided their input and helped us compile what is an informative and worthy read for anyone dealing with indirect taxation on a professional basis.

Editors

Georg Kofler, Michael Lang, Pasquale Pistone, Alexander Rust, Josef Schuch, Karoline Spies and Claus Staringer are all professors at the Institute for Austrian and International Tax Law, WU Wien.

Ilze Kuniga van Merwijk is the Head of Unit "Legal affairs - Indirect Taxation" (Directorate-General for Taxation and Customs Union) at the European Commission.
