GAARS: The Better Insight into a Country's Tax System

In a post-BEPS tax world and in times of an ever-increasing need for tax revenue, policy-makers are more willing than ever to tighten or adopt General Anti-Avoidance Rules (GAARs).

This award-winning book compares the GAARs and judicial anti-avoidance approaches of Germany, the UK and the EU. It gives a deep insight into the predominant legal traditions of the Western World, comprehensively analyses case-law and offers unique perspectives on tax law across jurisdictions. This book reveals that there is no other feature of tax law that provides a better insight into a country's tax system than its anti-avoidance rules.

Der Autor:

Dr. Markus Seiler, LL.M. (WU), LL.B. (WU) is a lecturer at the Institute for Austrian and International Tax Law at WU Vienna. He currently works with LeitnerLeitner, Vienna.
