Gaming addictions and everything that revolves around it: Do you take the Chance?

The book focuses on games of Chance and betting in manifold scientific disciplines from different points of view including

- legal and economic problems
- matters of compliance and corporate social responsibility
- the analysis of decisions held by the European courts
- finance and taxes in the European context
- psychological and medical treatment, therapy and prevention of gaming addiction

The editors Prof. Gerhard Strejcek, Prof. Dietmar Hoscher and the jurist and manager Markus Eder are experts in the fields of law, management and compliance.

Among the authors there are outstanding legal experts from the Federal Republic of Germany (Bochum, Saarbrücken) and the Czech Republic (Prague). As a result of a transdisciplinary collaboration British psychologists teaching at the Trent University in Nottingham UK, meet the ideas of Austrian and Italian-based experts in the field of gaming addictions and therapy.
