A Global Overview of International Tax Disputes on DTC

This book is a unique publication that gives a global overview of international tax disputes on double tax conventions and thereby fills a gap in the area of tax treaty case law. It covers the forty-one most important tax treaty cases which were decided around the world in 2018. The systematic structure of each chapter allows for the easy and efficient study and comparison of the various methods adopted for applying and interpreting tax treaties in different cases.

With the continuously increasing importance of tax treaties, Tax Treaty Case Law around the Globe 2019 is a valuable reference tool for anyone interested in tax treaty case law. This book is of interest to

tax practitioners, multinational businesses, policymakers, tax administrators, judges and academics.
